TBW Membership Renewal

Beginning January 1, 2014 all TBW members will be required to renew their memberships with the TBW on a yearly basis. This is to ensure that all member information is up to date and accurate and that we are only keeping members on the email list, who would like to remain active.

You will be able to renew your membership for 2014, starting November 1, 2013.

If you sent the TBW a membership request November 1, 2013 or later, you will not need to renew your membership until January 1, 2015.

If you have not renewed your membership with the TBW by January 1, 2014 you will stop receiving TBW emails and will be removed as a member of the TBW. Should time get away from you and this happens, do not worry. We will still have your information in our data base and once we receive your membership renewal request, we will reinstate your membership with the TBW.

To renew your membership, please visit the following link:

Facebook

We remind all of our members of the TBW's Facebook policy:

Facebook Policy: We reserve the right to remove any derogatory comments and would like to remind everyone to be constructive and productive as we move forward and tackle crime and safety issues, as a community! Any abuse of the page and/or violation of this policy will result in that member being blocked from the Tussing Block Watch Facebook Page.

TBW's Public Facebook

In addition to this policy, we have changed the security settings for the TBW's public Facebook page.

ALL posts made to the TBW's public Facebook page will be approved first before the post will be permitted on the page.

Please remember that "we reserve the right to remove any derogatory comments and would like to remind everyone to be constructive and productive...". One might accuse us of stifling their "freedom of speech", but this is the TBW's policy and anyone violating this policy will have their post(s) blocked. Anyone who continues to post/attempt to post anything that is derogatory and/or not constructive/productive will be blocked from the TBW's Facebook pages and their membership with the TBW revoked.

TBW's Private Facebook

We have NOT changed the security settings for the TBW's public Facebook page at this time.

The TBW's Facebook Policy still applies and once again anyone violating this policy will have their post(s) blocked. Anyone who continues to post/attempt to post anything that is derogatory and/or not constructive/productive will be blocked from the TBW's Facebook pages and their membership with the TBW revoked.

TBW Meetings

Meeting reminders will go out to TBW members by email prior to each meeting. We are currently working on an rsvp system that will allow members to simply click on the link provided within the email to let us know if they will, or will not be attending. Failure to respond to these emails will result in TBW emails temporarily being suspended until we hear from you.
